

Pan-European Network Meeting
Prospects for improvement in cancer screening and prevention

ECCG-ECN-EUROCOURSE

The Maria Sklodowska-Curie Memorial Cancer Center & Institute of Oncology
Cancer Epidemiology and Prevention Division

Warsaw, Poland, 20-22 May 2010

DRAFT AGENDA

Thursday, 20 May 2010

08.30-09.30 Opening – Chairs – *W. Zatonski and A. Chil*

08.30-08.45 Welcome and organization of meeting – *M. Krzakowski, W. Zatonski, A. Chil*

08.45-09.00 Introduction and aims of the meeting – *A. Anttila, L. v. Karsa*

09.00-09.30 **Opening Addresses to be confirmed**

Session 1 HPV and cervical cancer prevention – current knowledge

Chairs – *M. Arbyn, J. Patnick, W. Zatonski*

Additional panel members – *A. Chil, H. De Vuyst, F. Nicula*

09.30-10.00 Epidemiology of cervical cancer in Europe – with special attention to Eastern countries
W. Zatonski

10.00-10.30 HPV in cervical cancer – state of the art – *J. Cuzick*

10.30-11.00 Coffee/Tea/Poster viewing

HPV detection in primary screening for cervical cancer

11.00-11.15 - the Finnish trial – *A. Anttila*

11.15-11.30 - the Italian trial – *G. Ronco*

11.30-11.45 - the Swedish trial – *J. Dillner*

11.45-12.00 From theory to practice – Integration of cervical cancer screening and HPV vaccination
– *M. van Ballegooijen*

12.00-13.00 Prospects for improvement of cervical screening and HPV vaccination – Panel
discussion with above *session presenters, chairs and additional panel members*

13.00-14.00 Lunch

Session 2 Multidisciplinary quality assurance guidelines (ECCG-ECN)

Chairs: *J. Regula, N. Segnan, S. Törnberg*

Additional panel members – *M. Broeders, S. Minozzi, Z. Péntek, C. Pox, M. del Turco, M. Zakelj*

14.00-14.15 Quality assurance guidelines in cancer screening: methodology and future directions
N. Segnan

EU Colorectal cancer screening guidelines

14.15-14.25 Introduction – *I. Lansdorp-Vogelaar*

14.25-14.35 Recommendations on Fecal Occult Blood Testing – *TBN*

14.35-14.50 Clinical aspects and surveillance – *TBN*

14.50-15.05 Public health issues – *J. Patnick*

15.05-15.20 Plenary discussion with *presenters, chairs and additional panel members*

15.20-15.45 Coffee/Tea/Poster viewing*

HPV supplements to EU cervical cancer screening guidelines

15.45-16.00 HPV screening – *M. Arbyn*

16.00-16.15 HPV vaccination – *H. De Vuyst*

16.15-16.30 Plenary discussion with *presenters, chairs and additional panel members*

EU breast cancer screening guideline updates

16.30-16.45 Digital mammography – *M. Thijssen, K. Young*

16.45-17.00 Pathology – *C. Wells*

17.00-17.15 EU Accreditation/certification and 5th edition – *L. v. Karsa*

17.15-17.30 Plenary discussion with *presenters, chairs and additional panel members*

17.30-18.00 Poster viewing/End of scientific programme on day 1

19.30 Social programme

* One author requested to remain at poster during afternoon coffee break

Prospects for improvement in cancer screening and prevention

The Maria Skłodowska-Curie Memorial Cancer Center & Institute of Oncology
Cancer Epidemiology and Prevention Division

Warsaw, Poland, 20-22 May 2010

Friday, 21 May 2010

Session 3 Status reporting and proposals for European-wide monitoring

Chairs – *R. Ancelle-Park, J. Fracheboud, E. Lynge*

Additional panel members – *S. Hofvind, D. Salas, P. Veerus, P. Villain*

08.45-09.00 2nd Report on Cancer Screening in Europe – *L. v. Karsa*

Eunice follow-up and reporting proposals

09.00-09.15 - Cervical cancer screening and vaccination – *G. Ronco, A. Anttila*

09.15-09.35 - Breast cancer screening – *A. Ponti, O. Májek*

09.35-09.50 - Colorectal cancer screening – *N. Malila, J. Regula*

09.50-10.20 Plenary discussion with *presenters, chairs and additional panel members*
(continue in parallel sessions)

10.20-10.40 Coffee/Tea/Poster viewing

Session 4 Screening programme evaluation and proposals for European collaborative projects – Chairs – *A. Anttila, L. Nyström, M. Zappa*

Additional panel members – *N. Asuncion, N. Becker, P. Pisani, S. Suchanek*

10.40-11.00 Evaluating impact of screening programmes on incidence and mortality – *H. De Koning*

Breast linkage studies

11.00-11.10 Evaluation of mammography screening programmes in Nordic countries – *E. Lynge*

11.10-11.20 Italian impact study – *E. Paci*

11.20-11.30 European interval cancer study – *S. Törnberg*

11.30-11.40 Routine linkage for monitoring in the Netherlands – *J. Fracheboud*

11.40-11.50 Initial questions to presenters

Cervical linkage studies

11.50-12.00 Swedish audit – *B. Andrae*

12.00-12.10 UK audit – *P. Sasieni*

12.10-12.20 Finnish audit – *S. Lönnberg*

12.20-12.30 Slovenian audit – *M. Zakelj*

12.30-12.40 Italian audit – *G. Ronco*

12.40-12.50 Initial questions to presenters

12.50-14.00 Lunch

Colorectal linkage studies

14.00-14.10 Nordic trial – Polish arm – *M. Kaminski*

14.10-14.20 Nordic trial – Netherlands arm – *E. Kuipers*

14.20-14.30 Finnish randomised screening implementation – *N. Malila*

14.30-14.40 Italian colorectal screening audit – TBN

14.40-14.50 Initial questions to presenters

14.50-15.20 Coffee/Tea/Poster viewing*

15.20-15.50 Plenary discussion with *presenters, chairs and additional panel members*

Session 5 Parallel working group meetings to develop proposals for collaboration in monitoring, evaluation, implementation and quality improvement

15.50-18.00 Parallel meetings of breast, cervical, colorectal cancer working groups

Breast cancer – Chairs – *A. Ponti, L. Nyström*

Cervical cancer – Chairs – *M. Arbyn, A. Anttila, M. Zakelj*

Colorectal cancer – Chairs – *N. Malila, J. Regula*

17.50-18.00 End of scientific programme on day 2

19.30 Social programme

* One author requested to remain at poster during afternoon coffee break

Prospects for improvement in cancer screening and prevention

The Maria Skłodowska-Curie Memorial Cancer Center & Institute of Oncology
Cancer Epidemiology and Prevention Division

Warsaw, Poland, 20-22 May 2010

Saturday, 22 May

Session 6 Roundtable discussion of poster reports on new programmes and developments

Chairs – *F. Nicula, C. Senore, S. Törnberg*

Additional Panel Members– *M. Bretthauer, C. De Wolf, J. Espinas, A. Frigerio, C. Naldoni, B. Seradour,*

09.00-09.45 Brief Presentations of selected Posters

09.45-10.15 Roundtable discussion

10.15-10.45 Coffee/Tea

Session 7 Reports of working groups for collaboration in monitoring, evaluation, implementation – Chairs – *J. Patnick, N. Segnan, M. Zakelj*

Additional panel members – *A. Chil, J. Fracheboud, O. Májek, L. Nyström, J. Regula, P. Veerus*

10.45-11.00 Breast cancer screening – Rapporteurs – *A. Ponti*

11.00-11.15 Cervical cancer screening – Rapporteurs – *A. Anttila*

11.15-11.30 Colorectal cancer screening – Rapporteurs – *N. Malila*

11.30-12.00 Plenary discussion with *rapporteurs, chairs and additional panel members*

Session 8 Final Meeting Discussion, Conclusions and Recommendations – Chairs – *A. Anttila, L. v. Karsa, W. Zatonski*

12.00-12.15 European Screening Agenda – Rapporteurs – *J. Patnick, N. Segnan, S. Törnberg, M. Zakelj*

12.15-13.00 Plenary discussion with *rapporteurs, chairs and additional panel members*

13.00-13.15 Final announcements

13.15-14.00 Sandwich lunch/End of Meeting
